## Appendix B: Funeral & Burial Expenses

Often agencies receive requests for assistance with Funeral and Burial expenses. Resources to cover these costs are limited and can provide particular challenges to families struggling with the loss of a loved one and the additional burden of the expenses related to burial and funeral costs. Here's some general information.

Contact the funeral or memorial society (a nonprofit group protecting consumers' rights relating to funeral costs). The national Funeral Consumers Alliance can be contacted online at [www.funerals.org](http://www.funerals.org), by phone at 802-865-8300, or by mail at 33 Patchen Rd, South Burlington, VT 05403. They can provide suggestions for ways to save money when planning a farewell to a loved one. (They are seeking volunteers and advocates in Hawai'i to run a funeral consumers alliance; for more info email [volunteers@funerals.org](mailto:volunteers@funerals.org).)

Here's some general advice from [www.caring.com](http://www.caring.com) :

- For a personalized farewell or celebration of a life, suggest families opt for a graveside service (or cremation) with a service at a local church or community center (cutting costs from \$10,000+ to \$1000 to \$3000);
- Always check prices. Federal law requires that funeral homes give you a General Price List (GPL) that lists everything offered and the charges. Shopping around is fine; prices vary.

Covering expenses can be challenging at an already-stressful time. Here are some ideas:

- If the deceased was receiving Medicaid prior to their death and left less than \$800 in assets, Medicaid will assist in cremation costs.
- If the individual had a terminal illness and received assistance through Kaua'i Hospice, they may assist with related expenses. Please call 245-7277.
- The Office of Hawaiian Affairs may help if the deceased was Hawaiian or part-Hawaiian. To apply for assistance, contact the Pūnāwai program Intake Specialist at Catholic Charities Hawai'i. For Kaua'i residents, that number is 808-632-6952.
- Other possible assistance:
  - MedQuest recipients - \$250
  - Social Security "Funeral Benefit" (not really for funeral expenses and may arrive late, but could be helpful) - \$225
  - Veteran's Benefits: veterans (and, in some cases, widows) may be eligible for some benefits, including burial in a veterans' cemetery, a flag, monetary assistance, markers, and other supports. Visit [www.cem.va.gov](http://www.cem.va.gov) or call 800-827-1000.

- AUW (2-1-1) or Kaua`i United Way (245-2043) may have suggestions
- Salvation Army (245-2571) was suggested by a national referral source
- Victims of Crime program (if deceased was a VOC) – [www.aardvarc.org](http://www.aardvarc.org)
- Give Forward – a crowd-funding site with a Memorial Fundraiser section (they get a small percentage of the donations):[www.GiveForward.com/funeral](http://www.GiveForward.com/funeral)
- Some counties have funds available that can be access through the County Treasurer’s office – Kaua`i County Treasurer 241-4269
- For information on home funerals, visit [www.homefuneralalliance.org](http://www.homefuneralalliance.org) or, for a listing or home funeral guides, visit [www.homefuneraldirectory.com](http://www.homefuneraldirectory.com)
- For someone seeking a simpler, greener, and more natural funeral service, visit [www.naturalend.com](http://www.naturalend.com) for information.
- Grief Support groups and Bereavement Therapists may help deal with issues relating to loss of a loved one. Contact Kaua`i Hospice or Life’s Bridges Hawai`i regarding support groups. Remember to take care of the living.

Our vision. We, the parents, families & friends of lesbian, gay, bisexual and transgender persons, celebrate diversity and envision a society that embraces everyone, including those of diverse sexual orientations & gender identities. Only with respect, dignity & equality for all will we reach our full potential as human beings, individually and collectively. PFLAG welcomes the participation & support of all who share in, and hope to realize this vision.

\*LGBTQ is an abbreviation used to represent a broad array of identities such as, but not limited to, lesbian, gay, bisexual, transgender, queer, and questioning people.

**Sexual orientation:** refers to emotional, physical, spiritual, romantic & sexual feelings about another person  
**Transgender:** an umbrella term that is designed to be all encompassing for people whose anatomies or appearances do not conform to predominant gender roles or norms

**Gender identity:** how a person perceives their own internal sense of maleness, femaleness or something in between or outside those established genders

**Gender expression:** any and all mannerisms, personal traits, etc. which serve to communicate a persons identity as they relate to gender and gender roles

**KNOW THE DIFFERENCE:**  
**Sexual orientation is who you go to bed with while gender identity is who you go to bed as.**

"The preoccupation with transition and with surgery objectifies trans people, and then we don't get to deal with the real lived experiences—the reality of trans people's lives is that so often we're targets of violence. We experience discrimination disproportionately to the rest of the community... When we focus on transition, we don't actually get to talk about those things"

-Laverne Cox

**Responding to Transgender Victims of Sexual Assault:**  
[www.ovc.gov/pubs/forge/index.html](http://www.ovc.gov/pubs/forge/index.html)

Lesbian, Gay, Bisexual, Transgender, Queer and Questioning people experience a disproportionately higher level of victimization, social isolation, suicide attempts and violence. Homeless, lack of adequate health care, harassment at schools and work only add to negative outcomes for these communities.

Our main goal is to bridge this gap between the LGBTQ community and the service providers on island that serve all of our Kaua'i communities. Through dialogue, education, awareness, understanding, and cultural competency we can better serve the LGBTQ community.

## **Mahalo Nui Loa...**

to all the staff, volunteers, faith groups  
and other supporters who keep themselves educated,  
employ best practices, provide data-driven services,  
and give from the heart to our community!
