

Kaua`i United Way has surpassed the ¾ of a century mark as our island's umbrella social service organization. We have been looking out for the social service needs of our whole island since 1943. Every dollar we are able to provide to our exemplary Partner Agency represents resources they can devote to serving our community rather than fundraising. These organizations provide more than 80 unduplicated services that **save lives every day** and help tens of thousands of Kaua`i people each year lead a full, independent, productive, happy, healthy lives as their personal circumstances will permit. Your donation will help Kaua`i people reach their potential and be the best they can possibly be. **Mahalo nui loa** for your important contribution.
